

CIP expands again!

UET now pays for mandatory fees

Union Education Trust

Shaping Your Future

We cannot predict the future, but we can prepare for it.

Today, many schools are charging separate mandatory fees for educational services traditionally covered by tuition. Examples of these fees are building fees, library fees, studio art fees, computer fees, technology fees, new student fees, student ID fees, online learning fees and sometimes specific class fees and they can be hundreds or thousands of additional dollars.

Your Union Education Trustees are responding to members' needs by adopting a new policy effective August 1, 2017 to cover mandatory fees as well as tuition. This will make continuing your education easier and more affordable.

- Effective Aug. 1, 2017
- CIP offers \$3,500 per fiscal year of financial assistance for tuition and mandatory fees.
- It's easy to apply online or by mail.
